General Subcontract Provisions

A. **INSURANCE - SUBCONTRACTOR:** Before SUBCONTRACTOR performs any work at, or prepares to deliver materials to, the site of construction, SUBCONTRACTOR shall comply with Addendum A. **INSURANCE REQUIREMENTS.** The requirement for carrying the foregoing insurance shall not derogate from provisions for indemnification of CONTRACTOR by SUBCONTRACTOR under paragraph B of this Agreement.

B. **GENERAL INDEMNITY:** All work covered by this Agreement done at the site of construction or in the preparing or delivering materials or equipment, or any or all of them, to the site shall be at the risk of the SUBCONTRACTOR exclusively. SUBCONTRACTOR shall, with respect to all work which is covered by or incidental to this subcontract, indemnify and hold CONTRACTOR harmless from and against all of the following:

1. Any claims, liability, loss, damage, cost, expenses, including reasonable attorney's fees, awards, fines or judgments arising by or reason of the death or bodily injury to persons, injury to property, design defects (if design originated by SUBCONTRACTOR), or other loss, damage or expense, including any of the same resulting from CONTRACTOR's alleged or actual negligent act or omission, regardless of whether such act or omission is active or passive; and

2. Any and all claims, liability, loss, damage, costs, including reasonable attorney's fees, awards, fines or judgments arising by reason of obligation or indemnity which CONTRACTOR has to GENERAL CONTRACTOR.

It is expressly acknowledged and agreed that each of the foregoing indemnities is independent, and that both shall be given effect. However, SUBCONTRACTOR shall not be obligated under this Agreement to indemnify CONTRACTOR with respect to the sole negligence or willful misconduct of CONTRACTOR, his agents or servant or subcontractors who are directly responsible to CONTRACTOR, excluding SUBCONTRACTOR herein.

C. **BONDING OF SUBCONTRACTOR:** Concurrently with the execution of this Agreement, or at any time during its performance, SUBCONTRACTOR shall, if required by CONTRACTOR, execute a Labor and Material Bond and Faithful Performance Bond, in an amount equal to 100% of the Contract Price in Section 2. Said bonds shall be executed by a corporate surety acceptable to CONTRACTOR and shall be in a form satisfactory to CONTRACTOR. CONTRACTOR shall pay the premium on said bonds unless otherwise provided herein or in the Contract Documents.

D. **TIME:** Time is the essence of this Agreement. It shall be SUBCONTRACTOR'S obligation to conform to CONTRACTOR'S progress schedule, subject to CONTRACTOR'S modification, which is incorporated herein by this reference and made a part hereof. SUBCONTRACTOR shall prepare and obtain approval as required by the Contract Documents for all shop drawings, details, samples, and all other things necessary and incidental to the prosecution of his work in conformance with the said progress schedule. He shall coordinate the work covered in this Agreement with that of all other contractors, subcontractors, and of the CONTRACTOR in a manner which will facilitate the efficient completion of the entire work. CONTRACTOR shall have complete control of the premises on which the work is to be performed and shall have the right to decide the time and order of in which various portions of the work shall be installed or the priority of the work of other subcontractors, and, in general, all matters representing the timely and orderly conduct of the work of SUBCONTRACTOR on the premises.

Should SUBCONTRACTOR be delayed in the prosecution or completion of the work by the act, neglect or default of the GENERAL CONTRACTOR, of ARCHITECT, or of CONTRACTOR, or should the SUBCONTRACTOR be delayed waiting for materials, if required by this CONTRACT to be furnished by the GENERAL CONTRACTOR or CONTRACTOR, or by damage caused by fire or other casualty for which the SUBCONTRACTOR is not responsible, or by the combined action of workmen in no way caused by, or resulting from default or negligence on the part of SUBCONTRACTOR, or in the event of a lockout by CONTRACTOR, then the time herein fixed for the completion of work shall be extended the number of days that SUBCONTRACTOR was delayed, but no allowance or extension shall be made unless a claim therefor is presented in writing to the CONTRACTOR within 48 hours of the commencement of such delay, and under no circumstances shall the time of completion be extended to a date which will prevent CONTRACTOR from completing the entire project within the time that GENERAL CONTRACTOR allows CONTRACTOR for completion.

No claims for additional compensation or damages for delays, whether in the furnishing of material by CONTRACTOR, or delays by other subcontractors or GENERAL CONTRACTOR, will be allowed by CONTRACTOR, and said extension of time for the completion shall be the sole remedy of SUBCONTRACTOR; provided, however, that in the event, and in such event only, that CONTRACTOR obtains additional compensation from GENERAL CONTRACTOR on account of such delays, SUBCONTRACTOR shall be entitled to such portion of the additional compensation so received by CONTRACTOR from GENERAL CONTRACTOR as is equitable under all of the circumstances. Nothing herein contained shall require CONTRACTOR to make any claim against GENERAL CONTRACTOR for such delays, and it is specifically agreed that the failure of CONTRACTOR to prosecute any such claim against GENERAL CONTRACTOR shall not entitle SUBCONTRACTOR to any claim for damages against CONTRACTOR.

E. **CHANGES IN THE WORK:** SUBCONTRACTOR hereby agrees to make any and all changes, furnish the materials and perform the work that CONTRACTOR may require, without nullifying this Agreement, at a reasonable addition to, or reduction from, the Contract Price stated herein, and provide the same. SUBCONTRACTOR shall adhere strictly to the plans and specifications unless a change therefrom is authorized in writing. Under no conditions shall SUBCONTRACTOR make any changes, either as additions or deductions, without the written order of the CONTRACTOR and CONTRACTOR shall not pay any extra charges made by the SUBCONTRACTOR that have not been agreed upon in writing by CONTRACTOR; and, in no event, shall CONTRACTOR make payment for any such extra charges unless and until the CONTRACTOR itself receives payment from GENERAL CONTRACTOR. SUBCONTRACTOR shall submit immediately to the CONTRACTOR written copies of his firm's cost or credit proposal for changes in the work. Disputed work shall be performed as ordered in writing by the CONTRACTOR and the proper cost or credit breakdown therefor shall be submitted without delay by SUBCONTRACTOR to CONTRACTOR.

SUBCONTRACTOR shall give notice of claim relating to any work for which extra compensation is asserted within 30 days after such work is performed or SUBCONTRACTOR shall be deemed to have abandoned any claim therefor.

If the SUBCONTRACTOR initiates a substitution, deviation or change in the work which affects the scope of the work or the expense of other trades, SUBCONTRACTOR shall be liable for the expense thereof.

No change, alteration or modification in or deviation from this Agreement or the plans or specification, whether made in the manner herein provided or not shall release Agreement and neither GENERAL CONTRACTOR nor CONTRACTOR shall be under any obligation to notify the surety or sureties of any such change.

F. **DAMAGES CAUSED BY DELAYS:** Should SUBCONTRACTOR default in the proper performance of his work, thereby causing the delay of the prime contract work, he shall be liable for any and all loss and damages, including liquidated damages sustained by CONTRACTOR as a result thereof. SUBCONTRACTOR shall not be liable under this paragraph if such default is caused by strikes, lockouts, acts of God or other reasons beyond the control of SUBCONTRACTOR, concerning which, however, notice of occurrence of same shall be given in writing immediately by SUBCONTRACTOR to CONTRACTOR.

G. **LIENS:** SUBCONTRACTOR shall at all times indemnify and save CONTRACTOR and GENERAL CONTRACTOR harmless against all liability for claims and liens for labor performed or materials used or furnished to be used on the job, including any costs and expenses for attorneys' fees and all incidental or consequential damages resulting to CONTRACTOR or GENERAL CONTRACTOR from such claims or liens. Further, in case suit on such claims is brought, SUBCONTRACTOR shall defend said suit at his own cost and expense, and will pay and satisfy any such lien or judgment as may be established by the decision of the court in said suit. SUBCONTRACTOR agrees within ten (10) days after written demand to cause the effect of any suit or lien to be removed from the premises, and in event SUBCONTRACTOR shall fail to do, CONTRACTOR is authorized to use whatever means at its discretion it may deem appropriate to cause said lien or suit to be removed or dismissed and the cost thereof together with reasonable attorneys' fees, shall be immediately due and payable to CONTRACTOR by SUBCONTRACTOR. SUBCONTRACTOR may litigate any such lien or suit provided he causes the effect thereof to be removed, promptly in advance, from the premises and shall further do such things as may be necessary to cause GENERAL CONTRACTOR not to withhold moneys due CONTRACTOR from GENERAL CONTRACTOR by reason of liens or suits.

It is understood and agreed that the full and faithful performance of this Agreement on the part of the SUBCONTRACTOR (including the payment of any obligation due from SUBCONTRACTOR to CONTRACTOR, and any amounts due to labor or materialmen furnishing labor or material for said work) is a condition precedent to SUBCONTRACTOR'S right to receive payment for the work performed, and any such moneys paid by CONTRACTOR to SUBCONTRACTOR under the terms of this Agreement shall be impressed with a trust in favor of labor and materialmen furnishing labor and material to SUBCONTRACTOR on the work herein subcontracted.

H. **RECOURSE BY CONTRACTOR** - In the event that SUBCONTRACTOR at any time refuses or neglects to supply a sufficient number of properly skilled workmen or a sufficient quantity of materials of proper quality, or he adjudicates a bankrupt, or files an arrangement proceeding, or consents any act of insolvency, or makes an assignment for benefit of creditors without CONTRACTOR'S consent, or fails to make prompt payment to his materialmen or laborers, or fails in any respect to properly and diligently prosecute the work covered by this Agreement, or becomes delinquent with respect to contributions or payments required to be made to any Health and Welfare, Pension, Vacation, Apprenticeship or other employee benefit program or trust, or fails to fulfill any of the provisions of Paragraph J of these General Subcontract Provisions by him to be performed, or otherwise fails to perform fully any and all segments herein contained, CONTRACTOR may, at his option: (1) after giving forty-eight (48) hours written notice to SUBCONTRACTOR, provide any such labor and materials as may be necessary and deduct the cost thereof from any money then due or hereafter to become due to the SUBCONTRACTOR under this Agreement; or (2) terminate SUBCONTRACTOR'S right to proceed with the work and, in that event, CONTRACTOR shall have full right to enter upon the premises of the project and take possession, for the purpose of completing the work included under this Agreement, of all material, tools, and appliances of SUBCONTRACTOR, and may employ any other person or persons to finish the work and provide material therefor. In case of such termination of SUBCONTRACTOR'S right to proceed with the work, said SUBCONTRACTOR shall not be entitled to receive any further payment under this Agreement until the work undertaken by the CONTRACTOR in his prime contract is completely finished. At that time, if the unpaid balance of the amount to be paid under this Agreement exceeds the expenses incurred by CONTRACTOR in finishing SUBCONTRACTOR'S work, such excess shall be paid by CONTRACTOR to SUBCONTRACTOR; but, if such expenses shall exceed such unpaid balance, then SUBCONTRACTOR shall promptly pay to CONTRACTOR the amount by which such expense exceeds such unpaid balance. The expense referred to in the last sentence shall include expenses incurred by CONTRACTOR for furnishing materials, for finishing the work, for attorney's fees, and any damages sustained by CONTRACTOR by reason of SUBCONTRACTOR'S default, plus a markup of 15% General Overhead and 10% profit on any and all of such expenses; and CONTRACTOR shall have a lien upon all materials, tools and appliances taken possession of, as aforesaid, to insure the payment thereof. The notice referred to in this paragraph will be sufficient and complete when mailed to SUBCONTRACTOR at the address shown in this Agreement.

CONTRACTOR may withhold, or on account of subsequent discovered evidence, nullify the whole or a part of any payment under SECTION 4 to such extent as may be necessary to protect CONTRACTOR from loss, including costs and attorney's fees on account of (1) defective work not remedied; (2) claims filed or reasonable evidence indicating filing of claim; (3) failure of SUBCONTRACTOR to make payment properly to his subcontractors or for material, labor, or for fringe benefits; (4) a reasonable doubt that this Agreement can be completed for the balance then unpaid; (5) damage to another subcontractor.

When the above grounds are removed, such amounts as are then due and owing shall be paid or credited to SUBCONTRACTOR.

I. **TERMINATION OF AGREEMENT** - In the event the prime contract is terminated prior to its completion, SUBCONTRACTOR shall be entitled only to payment for the work actually completed by it at the pro rate of the price herein set forth unless CONTRACTOR itself receives additional compensation or damages on account of such termination: in which event, SUBCONTRACTOR shall be entitled to such proportion of the additional compensation or damages actually received as is equitable under all of the circumstances. Nothing herein contained shall require CONTRACTOR to make any claim against GENERAL CONTRACTOR for such additional compensation or damages in the event of termination before completion, and it is specifically agreed that the failure of CONTRACTOR to prosecute any such claim against GENERAL CONTRACTOR shall constitute SUBCONTRACTOR to any claim for additional compensation or damages against CONTRACTOR.

Notwithstanding the preceding paragraph, CONTRACTOR reserves the absolute right to terminate this Agreement. In the event of termination without cause, SUBCONTRACTOR shall be entitled to payment only as follows:

1. Cost of work actually completed in conformity with this Agreement; plus
2. Other costs actually incurred by SUBCONTRACTOR;
3. 15% of costs referred to in paragraph 1 above for overhead and profit.

There shall be deducted from such sums as provided in this paragraph the amount of any payments made to SUBCONTRACTOR prior to the date of termination of this Agreement. SUBCONTRACTOR shall not be entitled to any claim, or claim of lien, against CONTRACTOR or against GENERAL CONTRACTOR for any additional compensation or damages in the event of such termination and payment.

In the event this Agreement is terminated for cause, SUBCONTRACTOR shall not be entitled to receive any further payment until the work undertaken by CONTRACTOR in his prime contract is completely finished. At that time, if the amount earned but not paid SUBCONTRACTOR before said termination exceeds the expenses incurred by CONTRACTOR in finishing SUBCONTRACTOR'S work, any excess shall be paid by CONTRACTOR to SUBCONTRACTOR; but, if such expense shall exceed the said amount earned and unpaid, SUBCONTRACTOR shall promptly pay to CONTRACTOR the amount by which the expense exceeds said sum. The expense incurred by CONTRACTOR, as just referred to, shall include CONTRACTOR'S expense for furnishing materials, for finishing the work, for attorney's fees, and any damages incurred by CONTRACTOR by reason of SUBCONTRACTOR'S default.

CONTRACTOR may terminate this Agreement in the event that SUBCONTRACTOR, or any of his subcontractors, is listed by the Administrative Office of the various Employee Fringe Benefit Trusts, including, but not limited to, Health and Welfare, Pension, Vacation, or Apprenticeship Trusts, as being delinquent in payment or payments to such trust, regardless of the project in connection with which the delinquency or delinquencies occurred. With respect to any and all payments to be made by CONTRACTOR to said SUBCONTRACTOR under this Agreement, CONTRACTOR at his option may issue joint checks payable to SUBCONTRACTOR and any of the Employee Fringe Benefit Trusts referred to herein to the extent necessary to assure that payments required from SUBCONTRACTOR or any of his subcontractors with respect to work performed under this Agreement are paid.

J. **LABOR RELATIONS** - Employment of labor by SUBCONTRACTOR shall be effected under conditions which are satisfactory to CONTRACTOR. SUBCONTRACTOR shall keep a representative at the job site during all times when SUBCONTRACTOR'S work is in progress, and such representative shall be authorized to represent SUBCONTRACTOR as to all phases of work. Prior to commencement of the work, SUBCONTRACTOR shall notify CONTRACTOR who the new representative is to be, and in the event of any change of representative SUBCONTRACTOR shall notify CONTRACTOR who the new representative is to be prior to such change becoming effective.

Should there be picketing on the CONTRACTOR'S job site, and the CONTRACTOR establishes a reserved gate for the SUBCONTRACTOR'S purposes, it shall be the obligation of the SUBCONTRACTOR to continue the proper performance of his work without interruption or delay.

SUBCONTRACTOR will indemnify and hold harmless CONTRACTOR from and against any liability, loss, damage, cost, claims, awards, judgments, fines, expenses, including litigation expenses, reasonable attorney's fees and any other costs which may be incurred by the CONTRACTOR resulting from the SUBCONTRACTOR'S failure to fulfill the covenant set forth in this paragraph.

K. **LAYOUT RESPONSIBILITY** - CONTRACTOR shall establish principal axis lines and levels whereupon the SUBCONTRACTOR shall lay out and shall be strictly responsible for the accuracy of his work, for the coordination of his work with others, and for any loss or damage to other contractors engaged in work on the site by reason of the failure of SUBCONTRACTOR to set out or perform his work correctly or to coordinate his work with the work of others. SUBCONTRACTOR shall exercise prudence in laying out and performing the subcontract work so that actual final conditions and details shall result in perfect alignment with finished surfaces.

L. **WORKMANSHIP** - Every part of the work herein described shall be executed in strict accordance with the Contract Documents in the most sound, workmanlike, and substantial manner. All workmanship shall be of the best of its several kinds, and all materials used in the work herein described shall be furnished in ample quantities to facilitate the proper and expeditious execution of the work, and shall be new and the best of their respective kinds, except such materials as may be expressly provided in the Contract Documents to be otherwise.

M. **PROVISIONS FOR INSPECTION** - SUBCONTRACTOR shall at all time furnish to CONTRACTOR and its representatives safe and ample facilities for inspecting materials at the site of construction, shops, factories or any place of business of SUBCONTRACTOR and its subcontractors and materialmen whose materials under this Agreement may be in course of preparation, process, manufacture, or treatment. SUBCONTRACTOR shall furnish to CONTRACTOR as often as required by CONTRACTOR, full reports of the progress of the work at any place where materials under this Agreement may be in the course of preparation or manufacture. Such reports shall show the progress of such preparation and manufacture in such detail as may be required by CONTRACTOR, including, but not limited to, any plans, drawings or diagrams in the course of preparation.

N. **MATERIALS AND WORK FURNISHED BY OTHERS** - In the event the scope of work includes installation of materials or equipment furnished by others or work to be performed in areas to be constructed or prepared by others, it shall be the responsibility of SUBCONTRACTOR to examine and accept, at the time of first delivery or access, the items or areas with such care or skill as to insure a satisfactory completion of work. Use of such items or components of work by SUBCONTRACTOR in such areas shall be deemed to constitute acceptance thereof by SUBCONTRACTOR. Loss or damage due to acts of SUBCONTRACTOR shall be charged to the account of SUBCONTRACTOR and deducted from monies otherwise due under this Agreement.

O. **PROTECTION OF WORK** - SUBCONTRACTOR shall effectively secure and protect the work done hereunder and assume full responsibility for the condition thereof until final acceptance by ARCHITECT, GENERAL CONTRACTOR, and CONTRACTOR. SUBCONTRACTOR further agrees to provide such protection as is necessary to protect the work and the workmen of CONTRACTOR, GENERAL CONTRACTOR, and other subcontractors operations. SUBCONTRACTOR shall be liable for any loss or damage to any work in place or to any equipment and materials on the job site caused by him or his agents, employees or guests.

P. **USE OF CONTRACTOR'S EQUIPMENT** - In the event that the SUBCONTRACTOR shall use CONTRACTOR'S equipment, materials, labor, supplies or facilities SUBCONTRACTOR shall reimburse CONTRACTOR at a predetermined rate, unless otherwise stated herein. Further, SUBCONTRACTOR assumes responsibility for, and shall hold CONTRACTOR harmless from any claims, actions, demands, damages, liabilities, or expenses, including attorneys' fees, resulting from the use of such equipment, materials, labor, supplies, or facilities by SUBCONTRACTOR or his agents, employees, or permittees. In the event that CONTRACTOR'S employees are used by SUBCONTRACTOR, SUBCONTRACTOR shall have full responsibility for all acts or omissions of CONTRACTOR'S employees with regard to such operation. SUBCONTRACTOR accepts any and all of CONTRACTOR'S equipment, materials, labor, supplies, or facilities as furnished.

Q. **CLEANUP** - At all times during the course of construction, SUBCONTRACTOR shall perform his work so as to maintain the site in a clean, safe and orderly condition. Upon completion of the work under this Agreement, SUBCONTRACTOR shall remove from the site all temporary structures, debris and waste incident to his operation and clean all surfaces, fixtures, equipment, etc. relative to the performance of this Agreement. CONTRACTOR may order SUBCONTRACTOR to clean up his areas at any time CONTRACTOR deems such action necessary. If SUBCONTRACTOR fails to perform a clean-up function within two days after notification from CONTRACTOR to do so, CONTRACTOR may proceed with that function as he judges necessary and in a manner he may deem expedient, and the cost thereof shall be charged to SUBCONTRACTOR and deducted from monies due under this Agreement. In the event CONTRACTOR is unable to determine which SUBCONTRACTOR is responsible for clean-up of any debris, etc., CONTRACTOR may apportion the cost of such clean-up in such a manner as he may determine to be equitable.

R. **GUARANTEE** - SUBCONTRACTOR guarantees all materials and workmanship and agrees to replace at his sole cost and expense, and to the satisfaction of CONTRACTOR, any and all materials adjudged defective or improperly installed as well as guarantees the GENERAL CONTRACTOR and CONTRACTOR against liability, loss or damage arising from said installation during the period of one year from completion and acceptance of the work covered by the prime contract. If, however, the period of guarantee is stipulated in excess of one year by the Contract Documents, SUBCONTRACTOR shall be bound during the longer time period stipulated.

S. **INDEMNIFICATION FROM PATENT RIGHTS** - SUBCONTRACTOR shall indemnify and hold CONTRACTOR harmless against any claim, suit or action, or any alleged violation or infringement of patent rights which may be made against CONTRACTOR by reason of the use in connection with or as a part of the performance of the work or the furnishing of materials hereunder of anything which is now or may hereafter be covered by patent, copyright, or trademark, and also against all expenses, including attorneys' fees, which CONTRACTOR may incur in defending or adjusting any such claim, suit or action.

T. **ASSIGNMENT OF CONTRACT** - SUBCONTRACTOR shall not, without written consent of CONTRACTOR, assign, transfer, nor sublet any portion or part of the work required by this Agreement nor assign any payments hereunder to others. CONTRACTOR may assign or transfer the whole or part of this Agreement, and his rights hereunder, to any corporation, individual, or partnership.

U. **INDEPENDENT CONTRACTOR** - SUBCONTRACTOR is an independent contractor and shall, at his sole cost and expense, and without increase in Contract Price, comply with all laws, rules, ordinances, and regulations of all governing bodies having jurisdiction over the work; obtain all necessary permits and licenses therefor; pay all manufacturers' taxes, sales taxes, use taxes, processing taxes, and all federal and state taxes, insurance and contributions for Social Security and Unemployment which are measured by wages, salaries, or other remunerations paid to SUBCONTRACTOR'S employees, whether levied under existing or subsequently enacted laws, rules, or regulations. SUBCONTRACTOR, upon request, shall furnish evidence satisfactory to CONTRACTOR that any or all of the foregoing obligations have been fulfilled.

V. **EXCUSE** - Any act or omission of the CONTRACTOR which SUBCONTRACTOR might claim as an excuse for his own failure to perform shall be deemed waived by SUBCONTRACTOR unless he shall notify CONTRACTOR of his intention to assert such excuse within ten days after occurrence of any such omission. SUBCONTRACTOR waives any right it might have to assert provisions of California Civil Code Section 1554 against CONTRACTOR.

W. **ATTORNEYS' FEES** - In the event either CONTRACTOR or SUBCONTRACTOR institutes a suit in court against the other party, or against the surety of such party, in connection with any dispute or matter arising under this Agreement, the party which prevails in that suit shall be entitled to recover from the other its attorneys' fees in reasonable amount, which shall be determined by the court and included in the judgment in said suit.

X. DISPUTE RESOLUTION - ARBITRATION

(a) CONTRACTOR and SUBCONTRACTOR shall not be obligated to resolve disputes arising under this Subcontract by arbitration, unless (i) the prime contract has an arbitration provision; and (ii) a particular dispute arising between CONTRACTOR and SUBCONTRACTOR involves issues or facts of law which the CONTRACTOR is required to arbitrate under the terms of the prime contract. In the event that arbitration is required under the terms of this provision, the same arbitrator(s) utilized to resolve the dispute between the GENERAL CONTRACTOR and CONTRACTOR shall be utilized to resolve the dispute under this provision.

(b) In the event that the CONTRACTOR and GENERAL CONTRACTOR or others arbitrate matters relating to this Subcontract, the SUBCONTRACTOR shall be required, at the request of the CONTRACTOR, to prepare and present to CONTRACTOR'S case, at SUBCONTRACTOR'S expense, to the extent that proceedings relate to this Subcontract.

(c) Should the CONTRACTOR enter into arbitration with the GENERAL CONTRACTOR or others with regard to the issues relating to this Agreement, the SUBCONTRACTOR shall be bound by the result of the arbitration to the same degree as the CONTRACTOR.

Y. **SAFE AND EQUAL EMPLOYMENT OPPORTUNITY VIOLATIONS - SUBCONTRACTOR'S INDEMNITY** - SUBCONTRACTOR shall, at its expense, conform to the basic safety policy of the CONTRACTOR, and comply with all specific safety requirements promulgated by any governmental authority, including, without limitation, Safety Act of 1969, the California Labor Code, including sections 6300 through 6604, and 6700 through 7332, inclusive, and all successors and amendments thereto, and all standards and regulations which have been or shall be promulgated by the parties or agencies which administer the Act.

SUBCONTRACTOR shall, at its own expense, conform to all the equal employment opportunity policies of the CONTRACTOR, and, in addition, shall comply with all equal employment opportunity requirements promulgated by any governmental authority, including, without limitation, the requirements of the Civil Rights Act of 1964, 42 United States Code, Section 1983, Executive Orders 11246, 11375, and 11478, the California Employment Practices Act, the California PDA, any other applicable statutes or ordinances, plans or programs, inclusive, and all successors and amendments thereto, and all plans, programs, standards and regulations which have been or shall be promulgated or approved by the parties or agencies which administer said Acts or Orders (hereinafter collectively referred to as EEO laws).

SUBCONTRACTOR shall have and exercise full responsibility for compliance hereunder by itself, its agents, employees, materialmen, and subcontractors with respect to its portion of the work on this Project, and shall directly receive, respond to, defend and be responsible for any citation, assessment, fine or penalty by reason of SUBCONTRACTOR'S failure or failure of SUBCONTRACTOR'S agents, employees, materialmen and subcontractors to comply. SUBCONTRACTOR shall indemnify and hold harmless CONTRACTOR from and against any liability, loss, damage, cost, claims, awards, judgments, fines, expenses, including litigation

expenses, reasonable attorneys' fees, claims or liability for harm to persons or property, expenses incurred pursuant to or attendant to any hearing or meeting, or any other applicable cost which may be incurred by CONTRACTOR resulting from SUBCONTRACTOR'S failure to fulfill the covenants set forth in this paragraph.

In the event SUBCONTRACTOR fails to comply: (1) with any citation issued by the Secretary of Labor, any order issued by the Occupational Safety and Health Review Committee or any order issued by the Division of Industrial Safety of the State of California, or any other body responsible for the administration and/or enforcement of any statute, regulation or ordinance relating to occupational health and safety within the period specified in any such citation or order; (2) with any aforementioned EEO laws, or any judgment, order or award issued by the Office of Federal Contract Compliance, United States Department of Labor, or any other federal, state or local agency or any court of law, or any other body responsible for the administration of and/or enforcement of EEO laws, within the period specified in any such laws, judgment, order or award, CONTRACTOR may, at his discretion, exercise the rights and remedies provided under the terms of this SUBCONTRACT, including, but not limited to, the rights and remedies provided in Paragraph H, Recourse by Contractor.
